

SHORT SKIN

Super skinny tight jean shorts in very stretchy fabrics with a very high waist. Same top block as on Second Skin. Rolled up hem for a cut-off look.

TIGHT

Unisex and stretchy. Our original fit born in 2004 to serve as an alternative to the expensive denim brands. Normal high waist, tight fit and tapered legs for an overall tight silhouette. A classic look wich works for both guys and girls, very hard to stop wearing once you've tried them on. Available in a wide range of colours and fabrics.

NARROW

Unisex and with stretchy fabrics. One of the first fits we made when we wanted more tight fits in our closet to choose from. This fit is tighter than Tight and has a lower waist. Perfect for the low-waisted skinny look. Button fly.

ZIP LOW

This fit is exactly the same as Narrow but it has zipper instead of buttons. What do you prefer? Unisex, tight, stretchy and with a low waist.

FIVE

A comfort fit with loose and slightly tapered legs. Normal high waist and antifat over the seat. This style draws inspiration from the great denim styles of the 90's.

SHORT FIVE

Same top block and details as Five but in a short version. 90's inspired.

TAPERED

A great comfort fit with a normal high waist, loose top, narrow tapered legs and a lot of attitude. Works best when worn slightly on the hips. Loose and comfortable without losing the edge.

SNUG

A classic denim style in non stretch fabrics. Normal high waist, tight fit with a straight look. The flat fronted top block is straight as well as the legs. Twin needle stitching on outside leg hem to avoid discomfort when you're riding your horse, or bike.

SLIM CHINO

Slim and comfortable with a normal high waist, comfort tight fit and tapered legs. Classic chino details such as slanted front pockets and jetted back pockets. Plastic buttons and tonal stitching for a preppy look.
