Lingerie cup measurement size guide

When measuring, remember to wear a bra, keep the tape measure straight and snug and make sure it's warm!

A - CUP MEASUREMENT - Measure around your body at the fullest part of the bust. Don't have the tape measure too tight that it flattens your bust.

B- ACTUAL AROUND BODY MEASUREMENT - Measure around your body underneath your bust. Pull the tape measure quite tight.

This size chart is intended for reference only. Sizes can vary between brands.
